Tool Rental Terms

A refundable security deposit will be added to your cart at checkout. We will supply a tool in good working condition, although it may have been used previously. In order to receive a refund for your Rental Security Deposit, the following conditions must be met:

- * The return shipment must be postmarked within 30 days of the original shipping date
- * The return shipment must be fully insured for the total retail value of the tool
- * The return shipment must be prepaid
- * The tool must be returned clean
- * The tool must be undamaged
 - Proper size wrenches must be used
 - No pliers or Vise-Grips
- * The tool must not show unreasonable wear
- * If for any reason the tool does not arrive at our warehouse within 60 days, no refund will be given

Return your rental tool to:
